EP600 – ECOPRO Gloss Dryer

Web: https://www.dr-stoecker.de/en/products/car-wash-chemicals-products/drying-agents-car-wash-chemicals/gloss-dryer-ecopro-ep600/

Better for the environment: high-performance drying aid for process water optimisation.

This gloss dryer provides a perfect paint finish and optimized drying. The fast water break-up ensures a perfect bead run on glass. With its paint-protecting effect, the product achieves an extreme gloss effect at all water hardnesses.

NEW: Now also with AQUALIFE Effect: Products with the integrated AQUALIFE technology act as concentrated feed for the microbiology in the biological service water cycle. This reduces turbidity and the water remains clear. In addition, the iron content and the chemical oxygen demand are reduced. The result: You can use your service water for much longer and save precious fresh water. In addition bad odours disappear.

Application / Dosage

only approx. 8 – 15 ml consumption

Available container types

EasyPack, 4 x 5 l
Art-Nr.: 610220

Can, 25 l
Art-Nr.: 610212

Product properties

- outstanding drying result
- only approx. 8-15 ml consumption per vehicle
- perfect paint finish
- perfect pearl run on glass
- paint protecting effect
- extreme gloss effect at all water hardnesses
- certified with the Nordic Swan Ecolabel
- particularly gentle on service water
- ideal for biological water treatment systems

Technical data

- pH value: 4
- Density: 1
- Colour: clear, blue
- Scent: characteristic
- Frost resistance: + 4 °C
