

Silicone-free high-performance drying aid for shiny results

Due to the micro emulsion technology the Gloss Dryer forte provides out-standing drying properties as well as a perfect paint finish. Smallest nanoparticles ensure an improved drying, a quick water break-up and a perfect water beading effect on glass. The particles strongly bond with the paint surface, support the optimum paint protection and the ultra-high gloss effect of the product. Double concentrate, very efficient.

Application / Dosage

Used undiluted via the dosing pump or pre-diluted with water in a ratio of 1:2 to 1:4 (chemical:water).

Consumption approx. 8 to 10 ml concentrate per vehicle.

Max. Exposure time

According to VDA-guideline: max. 5 minutes.

Do not allow the product to dry!

Available container types

Can, 25 l
Art-Nr.: 656012

EasyPack, 4 x 5 l
Art-Nr.: 656020

Product properties

- excellent drying result
- perfect paint finish
- only 8-10 ml needed per vehicle
- pleasant characteristic scent
- perfect flow of water on glass
- paint protecting effect
- extreme gloss effect with all water hardnesses

Technical data

- pH value: 4
- Density: 1
- Colour: clear, blue
- Scent: characteristic
- Frost resistance: + 4 °C
