

## Mild-alkaline foam cleaner for price-sensitive application areas

The good foam formation of the proven Performance Foam from Dr. Stöcker leads to a longer reaction time on the vehicle surface, whereby insects or oil and grease dirt are easily and quickly dissolved. This ensures convincing washing results in the entry-level segment. A good compromise between foam and precleaner.

## Application / Dosage

In the foam sheet in washers 8 – 13 ml

SB Air, water and cleaner are optimally adjusted for the desired foam pattern. In foam units, the product is premixed 1:4 – 1:9 (chemical:water).

## Max. Exposure time

According to VDA-guideline: max. 5 minutes.

Do not allow the product to dry!

## Available container types

Can, 25 l  
Art-Nr.: 530112

Bag-in-Box, 20 l  
Art-Nr.: 530142

EasyPack, 4 x 5 l  
Art-Nr.: 530120

## Product properties

- mild-alkaline
- only approx. 8-10 ml consumption per vehicle
- pleasant citrus scent
- inexpensive entry-level product
- excellent foaming with longer reaction time
- good compromise between foam and precleaner

## Technical data

- pH value: 11,3
- Density: 1,03
- Colour: green, clear
- Scent: citrus
- Frost resistance: + 4 °C
