

## pH-neutral lavender foam cleaner with optimally adjustable foam pattern from the high-end ALPHA car washing chemistry series

Welcome to the A300 scented foam ALPHA from Dr. Stöcker – the ultimate foam cleaner. This pH-neutral lavender foam cleaner offers an optimally adjustable foam pattern for a first-class washing experience. With its unique formula based on ALPHA components, the A300 consistently continues the work of the pre-cleaner and prepares the vehicle surface for an exceptional result. Experience cleaning excellence at the highest level with the A300 scented foam ALPHA.

## Application / Dosage

Dosage in washing systems: Foam sheet 5 – 10 ml, foam wall 12 – 20 ml

SB In pre-spray lances: 1 to 3%. Can be applied via High pressure lance, foam brush or foam lance. The use of special foam nozzles/lances is recommended.
