

PP306 – Scent Foam PowerPlus “Fruit Explosion”

Web: <https://www.dr-stoecker.de/en/products/car-wash-chemicals-products/foram-cleaners/scent-foam-powerplus-fruit-explosion-pp306/>

pH-neutral foam concentrate – the fruit explosion for your carwash with PRIMETEC-effect

This highly foaming scented foam concentrate permeates your entire car wash with an intense scent of fruit. Its strong foaming action achieves considerably better cleaning results, as the exposure time is extended by the extremely stable foam bubbles. Due to its dense foam pattern, it is also suitable for use in foam walls and foam lances.

New, with PRIMETEC-effect: Products with the PRIMETEC effect produce a layered build-up of the care components. This ensures a dense surface seal with a strong repair effect and a revolutionary deep gloss. The smallest unevennesses are already evened out in the washing process, which reduces the cleaning effort for subsequent washes.

Application / Dosage

Dosage in washing systems: Foam sheet 5 – 10 ml, foam wall 12 – 20 ml

In pre-spray lances: 1 to 3%. Can be applied via high-pressure lance, foam brush or foam lance. The use of special foam nozzles/lances is recommended.

Max. Exposure time

According to VDA-guideline: max. 5 minutes.

Do not allow the product to dry!

Available container types

Can, 25 l
Art-Nr.: 652512

EasyPack, 4 x 5 l
Art-Nr.: 652520

Bag-in-Box, 20 l
Art-Nr.: 652542

Product properties

- pH-neutral
- only 5-10 ml needed per vehicle
- intensive fruit scent
- strong foam production with very strong foam bubbles
- better washing results because of longer contact time
- suitable in foam walls and foam lances

Technical data

- pH value: 7
- Density: 1,03
- Colour: green, clear
- Scent: fruity
- Frost resistance: – 4 °C
