

## Polish with repair effect

Due to its structure, the polymers integrated into the formula provide an effect repairing micro scratches on the paint coating surface. Shine and smoothness are significantly improved and the paint coating retained.

**New, with PRIMETEC-effect:** Products with the PRIMETEC effect produce a layered build-up of the care components. This ensures a dense surface seal with a strong repair effect and a revolutionary deep gloss. The smallest unevennesses are already evened out in the washing process, which reduces the cleaning effort for subsequent washes.

## Application / Dosage

Dosage in the washing system only  
approx. 10 to 15 ml.

SB  
Dosing in the self-service system  
varies depending on the desired foam  
pattern and available technology.

## Max. Exposure time

According to VDA-guideline: max. 5 minutes.

Do not allow the product to dry!

## Available container types

Can, 25 l  
Art-Nr.: 656712

EasyPack, 4 x 5 l  
Art-Nr.: 656720

## Product properties

- smoothing of the paint surface with repair effect
- only 10-15 ml needed per vehicle
- pleasant citrus scent
- with long-lasting, shine-increasing effect
- suitable for convertibles

## Technical data

- pH value: 4,0
- Density: 1,02
- Colour: clear to slightly cloudy, light yellow
- Scent: citrus
- Frost resistance: + 4 °C
