FT202 – Pre-Cleaner forte

Web: https://www.dr-stoecker.de/en/products/car-wash-chemicals-products/pr-wash-agents/pre-cleaner-forte-ft202/

Strong-alkaline pre-cleaner tor ultra-fast premium pre-cleaning

The fast and extremely powerful cleaner for manual pre-cleaning promises extremely good cleaning performance, even after a very short contact time. Its special foam strength guarantees optimal grip on surfaces. Thanks to its strong dirt-removing properties, manual reworking with a brush is reduced to a minimum. Due to the high cleaning performance also on rims, an additional rim cleaner can usually be dispensed with. In addition, the PreClean has a refreshing citrus scent.

Application / Dosage

Dosage in the pre-spray arc 1 – 2 %, in the pre-spray lance for insect removal 3 – 6 %, for problem soiling such as tree resin or dried bird droppings 6 – 8 %. Dosage for manual rim cleaning: Dilute concentrate 1:4 – 1:7 (chemical: water). Spray on rims, allow cleaner to act, clean rims and rinse with water. Mechanical rim cleaning: 5 – 10 %.

Available container types

Can, 25 l
Art-Nr.: 666212

Product properties

- strongly alkaline
- fresh citrus scent
- extremely good cleaning performance – even rims
- short contact time

Technical data

- pH value: 13,5
- Density: 1,13
- Colour: light yellow, clear
- Scent: fresh citrus scent
- Frost resistance: + 4 °C
