

**Special preservative for extremely resistant surface sealing and mirror-like gloss effect**

Dr. Stöcker Perlwax forte impresses with its multiflexible use in all water hardnesses. The common marks and wet vehicles that happen with calcareous water are prevented. The pearl wax gives stronger protection against aggressive weathering and provides a water-repellent pearl effect with spotless gloss effect on paintwork, chrome and plastic parts with its modern components. Thanks to systematic light refraction, the conserver refreshes the paint colour and is also perfect for convertibles. The fragrance gives the car wash a pleasant cherry fresh scent.
