

Inexpensive and silicone-free preservative

This preservative provides a tight and effective surface seal for all paints. Weather and environmental effects are effectively blocked out. At the same time, the result of the conservation impresses with a strong pearl-off effect and a beautiful shine.

Application / Dosage

Dosage in the car wash only approx. 15-25 ml.

Dosing in the self-service system only approx. 15-25 ml per minute.

Max. Exposure time

According to VDA-guideline: max. 5 minutes.

Do not allow the product to dry!

Available container types

EasyPack, 4 x 5 l
Art-Nr.: 530520

Can, 25 l
Art-Nr.: 530512
