

P100 – Active Wheel Rim Cleaner Plus

Web: <https://www.dr-stoecker.de/en/products/car-wash-chemicals-products/wheel-rim-cleaner/active-wheel-rim-cleaner-plus-p100/>

Mild-alkaline rim cleaner for gentle cleaning of the material

The strong rim cleaner with special suitability for steel and alloy rims thoroughly removes dirt such as the abrasion of brake pads as well as road salt. It has an outstanding effect against encrusted mud and general road dirt. In addition, it contains corrosion protection for wheel and rim bolts.

Application / Dosage

Consumption approx. 20 ml concentrate per vehicle.

Max. Exposure time

If the surface temperature is high, it is essential that the surface cools down. Do not allow the product to dry!
