

Dr. Stöcker wet glass cleaning wipes in a resealable bag of 10

The perfect additional item for quick sales in your shop

With Dr. Stöcker Glass Cleaner Wet Wipes, you can offer your customers the ideal solution for streak-free cleaning of glass, mirrors and displays – quick, practical and usable anywhere. Whether for car windows, helmet visors or the interior: take out a wipe, wipe the surface – done! A practical everyday helper that impresses with its quality, sustainability and high customer demand – ideal for complementing your range in the washing or care sector.

The Glass Cleaner Wet Wipes are made of a high-quality viscose cloth made from 100% plant-based fibres. They are PEFC-certified and completely free of plastic – for sustainable and environmentally conscious vehicle care.

The resealable press-to-close lid keeps the wipes fresh for a long time and prevents them from drying out. Their compact size means they can be conveniently stored in the centre console, door compartment or motorcycle luggage. They are also versatile – not only in the vehicle, but also in the home.

Application / Dosage

Remove cloth, wipe surface – done! If necessary, simply polish with a dry cloth. Do not use on hot surfaces.

Close packaging tightly after use.
