

**For upholstery and surfaces – with odor neutralizer**

Dr. Stöcker Interior Cleaner is a high-quality cleaning agent for the thorough care of vehicle interiors. Its powerful formula effectively removes dirt, stains and unpleasant odors from all interior surfaces that can be cleaned with water, including plastic, vinyl, leather (except suede) and textiles, and leaves a fresh fragrance.

Application / Dosage

Test the color fastness of the material to be treated on an inconspicuous area.

Spray cleaner onto the relevant surfaces. Work the surface with light pressure and circular movements and rub with a clean cloth. For upholstery and carpet cleaning: Apply cleaner with a sponge, lather lightly, work the stain and dab with a damp, clean cloth.
