Strong alkaline cleaner for the removal of polymer dispersions and latex

FOSGALON TI 30 offers effective and fast cleaning power for the removal of polymer dispersions and latex. Stubborn soiling is efficiently dissolved. In addition, FOSGALON TI 30 prevents re-deposition on the walls and ensures excellent dirt carrying capacity. The loosened dirt particles can thus be easily removed during the rinsing process. Double concentrate, extremely economical. Free of halogenated hydrocarbons and can be used for biological water treatment. FOSGALON TI 30 is a low-foaming industrial cleaner.
