

**The multi-talent from Dr. Stöcker**

FOSGALON TI M2000 is a multi-talent and especially well suited for use with pre-spray arches or lances as well as HD equipment. FOSGALON TI M2000 cleans trucks, tarpaulins and tents, workshop and hall floors, engines, aggregates, gearboxes and machines, chassis and underbodies, construction and agricultural machinery as well as all kinds of dirty surfaces. Fast and extremely powerful, highly alkaline professional concentrate for commercial vehicles, workshops and machines. FOSGALON TI M2000 promises extremely good cleaning performance for oil, grease, soot and other soiling. Double concentrate, extremely economical.

Application / Dosage

Use undiluted via the dosing pump or with spray heads.

Use with high-pressure equipment or foam lances/spray heads. Application concentration diluted up to 1:50 or undiluted, depending on soiling. Apply the product from bottom to top.

Max. Exposure time

max. 5 minutes. Do not allow the product to dry! Then rinse with a strong jet of water or a high-pressure device.

Available container types

IBC, 1000 l
Art-Nr.: -664629

Can, 25 l
Art-Nr.: 664612

Fass, 210 l
Art-Nr.: 664628

Product properties

- extremely good cleaning performance for oil, grease, soot and other soiling
- material-friendly
- extremely economical

Technical data

- pH value: 13,3
- Density: ca. 1,08 g/ml
- Colour: orange
- Scent: citrus
- Frost resistance: bis zu +4 °C
