

**Foam / Pre-Cleaner – alkaline concentrate for pre-cleaning in the industrial and commercial vehicle sector**

FOSGALON TC has an effective and fast cleaning power and removes rough dirt and soiling such as static dirt films, oil, grease, soot, etc. from truck tarpaulins, superstructures and chassis. Especially for use with pre-spray bows and lances as well as high-pressure equipment. The addition of water softener protects the equipment from scale build-up. Fosgalon Truck Cleaner is especially foamy and sticks to surfaces for a long time. Very good for use in foam lances/guns. Also for use as a brush shampoo. Supports fast and stain-free drying of cleaned surfaces.

Application / Dosage

Use undiluted via the dosing pump.
For high-pressure devices or foam lances/guns: Application concentration: 3-5 %.
Then rinse with water.

Max. Exposure time

Do not allow the product to dry!

Available container types

Fass, 210 l
Art-Nr.: 664028

Can, 25 l
Art-Nr.: 664012

IBC, 1000 l
Art-Nr.: 664029

Product properties

- particularly high foaming
- adheres to surfaces for a long time
- very suitable for foam lances/guns
- also suitable for use as a brush shampoo
- extremely economical
- without colorants and fragrances

Technical data

- pH value: 13,5
- Density: ca. 1,09 g/ml
- Colour: light yellow
- Scent: characteristic
- Frost resistance: bis zu +4 °C
