SCREEN WASH Winter Ready to Use -18 °C

Web: https://www.dr-stoecker.de/en/products/windscreen-cleaner-products/screen-wash/

Ready-to-use mixture for windscreen washer systems with a peppermint scent in a practical 3-litre stand-up pouch

SCREEN WASH Winter -18°C is the ready-to-use solution for windscreen washer systems – without hazardous substance symbols, which makes storage and sales much easier. At the same time, it offers reliable frost protection down to -18°C and ensures clear visibility in ice, snow and dirt – real added value for your customers.

With its fresh peppermint scent and enhanced cleaning action, the ready-to-use mix effectively removes road dirt, salt residues and grease films. This reduces glare and provides optimum protection for sensitive materials such as paint, rubber, plastic and polycarbonate. Naturally suitable for fan-shaped wash nozzles.

Application / Dosage

Pour the ready-mixed solution undiluted into the windscreen washer system.

Available container types

4 x 3 Liter Beutel
(1 Karton)
Art-Nr.: 68955423

Product properties

- Modern, handy design: easy to pour, attractive to end customers
