

Clear windshield ready-mix for the windshield washer system with lime-mint fragrance

Dr. Stöcker Windscreen Cleaner Summer in ready-mix offers a refreshing cleaning solution for clear visibility and a pleasant fragrance during the warm season. This ready-to-use formula for the windshield washer system effectively removes insect residues, bird droppings and road grime and leaves a refreshing citrus-mint scent in the vehicle interior.

The refreshing lime-mint scent is reminiscent of the classic cocktail "Mojito". Your customers will be delighted.

Application / Dosage

For maximum effectiveness, pour undiluted into the wiper water tank in the car.

For normal effectiveness, mix 1:1 with water.

Available container types

6 x 3 litres in a box
Art-Nr.: 68260023
