Ready-mix for the windshield washer system with anti-freeze protection down to -22°C. Ensures a clear view in winter in a matter of seconds

Dr.Stöcker's proven ready-to-use winter screen wash is the ideal solution for windscreen washer systems during the cold season, providing reliable frost protection down to -22°C. The 1-litre bottle is particularly popular among car wash operators as a free giveaway to promote special car wash offers and campaigns. For example, customers who choose a higher-value premium wash programme receive a free 1-litre bottle of Dr.Stöcker Scheibenklar WINTER Ready Mix. This attractive incentive helps operators promote premium wash programmes and additional services, increase sales and generate higher revenue. Contact your Dr.Stöcker sales representative today. Our team will be happy to advise and support you in planning and implementing successful car wash promotions, including customised promotional posters.
