

Liquid, solvent-free, neutral-smelling, highly effective shampoo concentrate for gentle, intensive cleaning of glass, metal, ceramic, plastic and painted surfaces

Lensex Softreiniger 15 from Dr.Stöcker ensures efficient cleaning with activated washing power. It is a powerful cleaner that effortlessly removes normal grease stains thanks to its intensive wetting and cleaning action. Thanks to its high resistance to water hardness, the washing power is fully retained even under difficult conditions. Lensex Soft Cleaner 15 is versatile and ideal for cleaning in Industry, Dairies, agriculture, slaughterhouses, shipping, buildings and facilities.

Application / Dosage

Depending on the degree of soiling, add approx. 10 g = 1 tablespoon to 10 to 40 litres of water and apply the resulting cleaning solution manually to the surfaces to be cleaned using a scrubbing brush, brush, cloth or sponge. After a short exposure time, rinse off the removed dirt with clear water. To clean upholstery, carpets, rugs, etc., add approx. 10 – 20 g to 5 litres of lukewarm water.

Available container types

Canister, 10 l
Art-Nr.: 07561

Product properties

- Efficient cleaning: Dissolves grease soiling reliably and quickly.
